

REQUEST FOR GENERAL CONTRACTOR
PREQUALIFICATION SUBMITTALS
West Lot Parking Deck

North Carolina State University is seeking qualification statements from general contractors for the construction of a 5 level (ground plus 4 elevated levels) 847 space precast concrete parking structure. The project includes all site work including road realignment, foundations, pre-cast superstructure, finishes, stairs and elevator towers, mechanical, electrical, plumbing, and fire protection systems.

To qualify the contractor must have a general contractor's license in the State of North Carolina as well as applicable bonding requirements. The contractor must have completed within the past six years, two similar deck projects in University settings with values exceeding \$5 million.

To be considered, the contractor must obtain an application package from NC State University Project Manager and submit a sealed, fully completed qualification document by 5:00 PM Tuesday, November 10, 2009 to the Facilities Division, Capital Project Management project manager, 2701 Sullivan Dr., Suite 300, NCSU, Campus Box 7520, Raleigh, NC 27695-7520. Application packages will be available after Monday, October 26, 2009.

NC State University has an affirmative policy of fostering, promoting, and conducting business with women and minority owned enterprises. Women and minority contractors are encouraged to participate in the pre qualification process.
