

# NORTH CAROLINA STATE UNIVERSITY - SCANDINAVIAN MEDICON VALLEY NANOMEDICINE PARTNERING SYMPOSIUM

Tuesday, January 24<sup>th</sup>, 2012 • 8:15 am-12:00 pm

Monteith Engineering Research Center (MRC) - Room 246  
Centennial Campus

## AGENDA

- 8:15 am**      **Coffee & Continental Breakfast**
- 8:30 am**      **Welcome** - Dr. Gregory Parsons, Director, NC State Nanotechnology Initiative; Alcoa Professor, Chemical & Biomolecular Engineering
- 8:35 am**      **Introduction (NC State)** - Dr. James Bonner, Associate Professor, Environmental & Molecular Toxicology
- 8:40 am**      **Introduction (Medicon Valley)** - Dr. Lars Montelius, Professor, Solid State Physics, Lund University, Sweden
- 8:50 am**      **Overview of NC State Biomedical Engineering** - Dr. David Lalush, Associate Professor, UNC/NC State Biomedical Engineering
- 9:00 am**      **Medicon Valley Speaker** - Dr. Moein Moghimi, Professor of Biopharmacy & Nanomedicine, Pharmaceutics & Analytical Chemistry Department; Director, Centre for Pharmaceutical Nanotechnology & Nanotoxicology, University of Copenhagen, Denmark
- 9:15 am**      **NC State Speaker** - Dr. Ruben Carbonell, Frank Hawkins Kenan Distinguished Professor of Chemical Engineering; Director, Golden LEAF Biomanufacturing Training & Education Center; Director, William R. Kenan, Jr. Institute for Engineering, Technology & Science
- 9:30 am**      **Medicon Valley Speaker** - Dr. Camilla Foged, Associate Professor, Pharmaceutics & Analytical Chemistry, University of Copenhagen, Denmark
- 9:45 am**      **NC State Speaker** - Dr. Orlin Velez, INVISTA Professor, Chemical & Biomolecular Engineering
- 10:00 am**      **Break**
- 10:30 am**      **Medicon Valley Speaker** - Dr. Maria Kempe, Associate Professor, Experimental Medical Science, Lund University, Sweden
- 10:45 am**      **NC State Speaker** - Dr. Julie Willoughby, Assistant Professor, Textile Engineering, Chemistry & Science
- 11:00 am**      **Medicon Valley Speaker** - Dr. Thomas Andresen, Senior Researcher, Micro- and Nanotechnology, Technical University of Denmark
- 11:15 am**      **NC State Speaker** - Dr. Thomas LaBean, Associate Professor, Materials Science & Engineering
- 11:30 am**      **Lunch and Discussion**
- 12:00 pm**      **Adjourn**
